Our firm offers a wide range of legal services to franchisors, franchisees and prospective franchisees.

Our franchisor clients include national franchise systems as well as start-up franchisors. Services to franchisors include state and federal disclosure documents and legal compliance as well as franchise related litigation and dispute resolution in state and federal courts. We regularly represent national franchisors in litigated matters involving enforcement of their franchise and related agreements, royalty collections, intellectual property protection and enforcement of non-competes.

We also represent companies seeking to grow their business through franchising or licensing.

Services to franchisees and prospective franchisees include review and evaluation of Franchise Disclosure Documents (FDD) and franchise agreements, negotiations with franchisors, franchise related disputes and sale of franchises.
